makes skin smooth and moist.

## Argan oil which moisturizes skin without being sticky

Argan oil, extracted from the fruits of an Argania tree, one of the uncommon plants from Morocco in Northern Africa, contains enough moisture and nutrition. The oil has been considered a valuable ingredient so far for this reason. With this effective oil, moisturize your body!

01

**ECOCERT**

a body of sustainable development

02

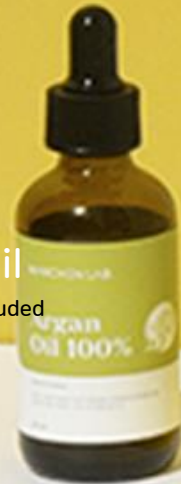

**100% pure extracted oil**

Harmful ingredients and preservatives excluded

03

**Non-filtrated oil**

Cold-pressed, Non-filtrated oil!

Jojoba oil, called treasure of desert which moisturizes skin without feeling sticky.

## Jojoba oil, called treasure of desert which moisturizes skin without feeling sticky.

Jojoba oil, called treasure of desert extracted from a Jojoba tree isn't oxidized.

Artificial additives aren't added in the oil unlike mineral oil. And it doesn't block pores, makes the oil naturally absorbed into skin without stickiness and lets it supple.

01

### Facial oil great for soothing skin

The oil is ideal for soothing skin because it has similar structure of skin as sebum.

02

### Minimizing loss of moisture

It forms skin barrier so that skin becomes radiant and moist.

03

### Skin barrier formed

The barrier protects skin from external stimulation.

\* Jojoba oil solidified at less than 7.2°C. The oil is naturally dissolved at room temperature. At this time, you can use it immediately. So you can safely use the oil because it isn't oxidized even though it is solidified.

## HOW TO USE

**Use the oil at the last stage of skin care after cleansing.**

Gently massage face with proper amount of oil and cover the face with your hands so that the oil can be easily absorbed into skin.

**We strongly recommend it to those who!**

have uneven skin tone. / have dark skin. / feel skin rough even though you apply moisturizer.  
need to make skin looking healthy with nutrition. / are reluctant to use oil due to oily skin.
